## **FILMMAKING WORKSHOPS**

### **COMMUNITY AND CORPORATE WORKSHOPS**

We offer filmmaking workshops tailored to community groups, neighbourhood centres, good causes, charities and businesses. We can create a program based on your individual needs. We liaise with leaders and CEOs to ensure attendees have an enjoyable individual and team-building experience. We invite you to kindly provide a brief:

- \* Dates and Times of your choosing. Should you wish to complete a short film we can work to submission deadlines for HBFF and other film festivals (should festivals be your objective)**
- \* Subject matter in accordance with your ethos and objectives**
- \* Scripts can be written by yourselves or supplied by HBFF**
- \* By default we manage workshops however happy to work under any guidance/guidelines you feel necessary**
- \* We provide an easy-going friendly helpful atmosphere where attendees are invited to ask basic or technical questions**
- \* Attendees are encouraged to try each major filmmaking role where time allows: writing, directing, camera op, lighting, sound...**
- \* We can provide comments on attendees as they progress, alternatively you can make own comments**
- \* Attendees will have their name on the credits of any completed film**

Kindly get in touch for further enquiries and to book your workshops.
